ACSIS SPORT PROGRAMME

WELCOME TO ANOTHER SEASON OF NEXUS SPORT

Welcome to ACSIS Season 2 Sport,

Nexus International School (Singapore) is a member school of the Athletic Conference of Singapore International Schools (ACSIS). ACSIS provides learners with an opportunity to compete in an inter-school athletic programme. The academic year is divided into three sporting seasons. Each season offers different sports across various age categories in which our learners may participate.

IMPORTANT CHANGES TO NOTE DUE TO CORONAVIRUS (COVID 19)

With the unexpected continuation of the coronavirus in Singapore and the precautionary measures recommended by SportSg, MOH and MOE, ACSIS fixtures will not be played during ACSIS Season 2. Training sessions on-site at Nexus will occur weekly and will follow the SportSG guidelines throughout the duration of the season.

On behalf of all the Nexus Sport coaches and managers, we look forward to your child's participation during ACSIS Season 2 and wish them all the best for their training sessions.

Kind regards,

Mr. Bevan Moriarty
Director of Sport

ACSIS SITE

The Athletic Conference of Singapore International Schools (ACSIS) has a useful and comprehensive website. Please feel free to take a look sometime.

NEXUS SWIMMING

Welcome to Nexus Swimming. I hope that you had a great first semester and are looking forward to another fantastic swimming term ahead. Despite the current situation, we are very much looking forward to continuing our work with all our swimmers, who are ultimately, the future of Nexus Swimming. You will not be surprised to read that we've had to limit the number of swimmers in each programme due to the restrictions enforced by SportSG; and we are currently operating with ratios of 15 swimmers per coach.

What to do if you would like to get involved?

If you are new to Nexus (joined after August 2021) and would like to be considered for the Nexus Swim Team, you will need to undertake a trial. Please email Mr. Ivan Bunakov bunakov.i@nexus.edu.sg and Ms. Larisa Mogutova mogutova.l@nexus.edu.sg to arrange a suitable time.

If your child is unsuccessful in their trial this time around, we will send an email recommending a team placement for when COVID19 restrictions will be lifted.

Expectations for the swim trial:

1. Your child must be able to perform at least three recognisable strokes (for example front crawl, butterfly, breaststroke) and have the endurance to swim 100 meters non-stop.
2. Your child must have an appropriate swimsuit, swim cap and goggles.

I look forward to working with the learners and coaches to grow swimming at Nexus.

**Mr. Ivan Bunakov,
Aquatics Director**

DUKE OF EDINBURGH INTERNATIONAL AWARD

Many learners in Year 10 and above are currently registered for and are working towards their Award. All participants should continue to work completing the requirements of the Skill, Voluntary Service and Physical Recreation sections of the Award and they should contact their Award Leader for support and guidance.

Proud to deliver

The Adventurous Journey

Despite the ongoing restrictions which directly affect what we can arrange, we hope to provide an opportunity for existing Bronze participants to complete the Adventurous Journey requirements next semester. News will be shared in January regarding this. Unfortunately, given the uncertainties around international travel in our region, we cannot currently organise an Adventurous Journey for our registered Gold participants.

CO-CURRICULAR ACTIVITIES (CCAs)

KEY DATES & TIMES: THERE ARE TWO PHASES FOR CCA SIGN-UPS.

Phase One

The Activities Portal will open at 10am Wednesday 12 January 2022

The Portal will close at 10am on Tuesday 18 January and activities will be allocated.

Phase Two

The Portal will then reopen at 4pm on Tuesday 18 January, where additional choices can be made. Phase Two will close at 10am on Thursday 20 January. This is when all remaining CCA places will be allocated.

SEASON TWO RUNS FROM 24 JANUARY 2022 TO 17 MARCH 2022 (8 WEEKS)

KEY INFORMATION COVID - 19 IMPACT ON CCAS

- Due to COVID-19 restrictions, we will continue to run Primary CCAs within the phase groups to avoid mixing year groups as much as possible. As such, you may find activities that were offered for your child's year group before, may not be available to them this Season. We hope to resume to our regular CCA programme as soon as safe distancing measures allow us to do so.
- If the COVID-19 guidelines change during the season resulting in us cancelling a paid CCA, we will do our absolute best to recover the cost from our providers. However, this is not guaranteed and the school will not be held liable to repay the cost of the CCA.
- Following COVID-19 guidelines, learners will stay socially distanced, hands will be washed, and classrooms will be sanitised.

CCA Gathering point

Primary learners will be met by their activity teachers in their learning hubs. Learners from Year 5 and above should go directly to the location of their activity. The location information can be found on pages 12 - 5, and on the [Activities Portal](#).

Pick up point

After CCAs in the afternoon, learners can be picked up from the Level 2 Eco Cafe, outside the Learner Services office. Younger learners who are taking the CCA bus will be taken to the bus bay by the CCA teacher.

Please note that parents, guardians, helpers and siblings may not wait on-site to collect a learner whilst a CCA or sports training is in session after school.

Please select CCAs that your child will commit to for the whole season.

The system randomly allocates places and there is no advantage to selecting early in this process. Due to the length of the school day CCAs are not available for Nursery learners.

Kindergarten learners will be allocated up to 2 CCAs (1 CCA, 1 paid CCA).

Year 1 learners will be allocated up to 3 CCAs (2 CCA, 1 paid CCA).

All learners from Year 2 upwards will be assigned up to a maximum of 5 CCAs, (3 CCAs, 2 paid CCAs) depending on the popularity of the CCAs.

Learners from Year 5 upwards should make their own choices with parental guidance. Parents will not be able to do this through their own portal login.

Please note that your child may not get all the choices they signs up for.

TRANSPORTATION

At the end of CCAs, learners can take the door-to-door after school activities bus for an additional charge. To ensure a place on this services for the first week of CCAs, you must email Tong Tar, call 6261 5537 or register [here](#) by Thursday 20 January. More contact details are available at www.nexus.edu.sg in the Parent Zone. Parents who are picking up learners at 4.30pm (3.30pm on Fridays) can meet their child at the Eco Cafe on level 2.

BEFORE SIGNING UP FOR CCAS

Do consider if you have signed up for an ACSIS Sport or intend to sign up for a Music Ensemble to ensure that the sessions do not clash.

COSTS

Many CCAs are offered free of charge; if there is a cost associated with the CCA this is indicated. Payments for CCAs should be made once your child receives confirmation of a place on this activity. All payments should be made online (see below). Please note that all CCA payments should be completed by 4 February 2022 (end of week 2 of CCAs). Learners will only be able to attend their CCA in week 3 if payment has been made in full. Please note that all CCA choices will be taken as final at the end of week 2. You will be billed for the whole season for all paid CCAs your child is registered for at the end of week 2. Please be aware that if your child is absent or a paid CCA is cancelled by the school due to unforeseen circumstances e.g. haze or adverse weather, there will be no 'make-up' class or reimbursement. This also applies to school trips and day camps.

HOW TO PAY?

Please click [here](#) to make payment for your CCAs in the Payment Portal.

Please contact Finance directly if you require any assistance with payment issues. You can reach them at finance@nexus.edu.sg

MUSIC ENSEMBLES

Nexus Music Ensembles are open to learners who play instruments inside or outside of school or are eager to try new instruments and play as part of an ensemble. Many of our music ensembles regularly rehearse to prepare for concerts and gigs in our Nexus Auditorium, around the school campus and even off campus. We have already sought permission to performances to take place and are busy planning these for term 3 and 4.

All learners (except beginners) who are learning an instrument through the Nexus Instrumental Programme are expected to join a music ensemble for the year where possible. We continue to run our programme under strict COVID-19 guidelines and endeavour to ensure that we are able to support all of our musicians with an array of opportunities that support their age and ability. We are excited to get music at NEXUS up and running again and encourage everyone to get involved.

For parents interested in 1:1 instrumental lessons rather than ensembles please contact us directly for further details on how to enrol: music@nexus.edu.sg
