CO-CURRICULAR ACTIVITIES (CCAs)

KEY DATES & TIMES

THERE ARE TWO PHASES FOR CCA SIGN-UPS.

Phase One

The Activities Portal will open at 10am Thursday 8 April 2021.

The Portal will close at 10am on Tuesday 13 April and activities will be allocated.

Phase Two

The Portal will then reopen at 4pm on Tuesday 13 April, where additional choices can be made.

Phase Two will close at 10am on Thursday 15 April.

This is when all remaining CCA places will be allocated.

SEASON THREE RUNS FROM 19 APRIL 2021 TO 10 JUNE 2021 (8 WEEKS).

KEY INFORMATION

COVID - 19 IMPACT ON CCAs

- Due to COVID-19 restrictions, we will continue to run CCAs within the phase groups to avoid mixing year groups as much as possible. As such, you may find activities that were offered for your child's year group before, may not be available to them this Season. We hope to resume to our regular CCA programme as soon as safe distancing measures allow us to do so.
- If the COVID-19 guidelines change during the season resulting in us cancelling a paid CCA, we will do our absolute best to recover the cost from our providers. However, this is not guaranteed and the school will not be held liable to repay the cost of the CCA.
- Following COVID-19 guidelines, learners will stay socially distanced, hands will be washed, and classrooms will be sanitised.

CCA Gathering point

Primary learners will be met by their activity teachers in their learning hubs. Learners from Year 5 and above should go directly to the location of their activity. The location information can be found on pages 10-13, and on the [Activities Portal](#).

Pick up point

After CCAs in the afternoon, learners can be picked up from the Level 2 Eco Cafe, outside the Learner Services office.

Younger learners who are taking the CCA bus will be taken to the bus bay by the CCA teacher.

Please note that parents, guardians, helpers and siblings may not wait on-site to collect a learner whilst a CCA or sports training is in session

Please select CCAs that your child will commit to for the whole season. The system randomly allocates places and there is no advantage to selecting early in this process. Due to the length of the school day CCAs are not available for Nursery learners.

Kindergarten learners will be allocated up to 2 CCAs (1 CCA, 1 paid CCA).

Year 1 learners will be allocated up to 3 CCAs (2 CCA, 1 paid CCA).

All learners from Year 2 upwards will be assigned up to a maximum of 5 CCAs, (3 CCAs, 2 paid CCAs) depending on the popularity of the CCAs.

Learners from Year 5 upwards should make their own choices with parental guidance. Parents will not be able to do this through their own portal login. Please note that your child may not get all the choices he / she signs up for.

For information on ACSIS Sports, [click here](#).

PARTICIPATION IN CCA SESSIONS & EVENTS

Please take time to read over the various activities on offer and discuss with your child which CCAs they would like to commit to. We strongly encourage every learner to commit to at least one CCA each season and also to take part in at least one voluntary event per year.

CCAs do not run during school or public holidays.

ADDITIONAL SCHOOL ACTIVITIES

SWIMMING AT NEXUS

Please note that the Nexus Swim Squads will continue to train as established. This programme runs throughout the year. Due to COVID-19 restrictions, we will not be running Recreational Swimming CCA this season. Swim squad trials happen only once at the beginning of the academic year. Learners may also be identified during their swimming lessons and invited to join a swim squad during the year.

GYMNASTICS

We are pleased to offer Gymnastics for Years 1 & 2 (Tuesdays) and Years 3 & 4 (Fridays) at North Star Gymnastics, located at Singpost Centre Mall. We are currently in the middle of the Programme for this semester. Sign ups will open again in the new academic year. The cost includes transport to and from the gym.

TRANSPORTATION

At the end of CCAs, learners can take the 4.35pm door-to-door activities bus for an additional charge. To ensure a place on this services for the first week of CCAs, you must email Tong.Tar, call **6261 5537** or register [here](#) by Thursday 15 April. More contact details are available at www.nexus.edu.sg in the Parent Zone. Parents who are picking up learners at 4.30pm can meet their child at the Eco Cafe on level 2.

BEFORE SIGNING UP FOR CCAS

Do note that CCA Season 3 crosses over with ACSIS Season 3. If you are currently signed up for a sport in ACSIS Season 3 please do not sign up for a Paid CCA run by an external vendor. Alternatively, you may choose to miss the end of ACSIS Season 3 to complete the CCA you have signed up for. Please note that we are unable to refund for any CCA sessions missed.

For example if you currently have Rugby for ACSIS Season 3 on Fridays but would like to sign up for Video Production in CCA Season 3, you have two choices:

1. Miss the last four rugby training sessions of ACSIS to attend Video Production.
2. Miss the first four sessions of Video Production to attend Rugby. Do note there will be no refunds for the sessions missed.

We do normally plan our CCA/ACIS programme carefully to avoid overlaps such as these. However, this academic year, the start of the CCA programme was intentionally delayed to take advantage of the Phase 3 guidelines. We are also currently not playing any competition and matches during ACSIS sports. We do hope you understand.

COSTS

Many CCAs are offered free of charge; if there is a cost associated with the CCA this is indicated. Payments for CCAs should be made once your child receives confirmation of a place on this activity. All payments should be made online (see below). **Please note that all CCA payments should be completed by 30 April 2021 (end of week 2 of CCAs).** Learners will only be able to attend their CCA in week 3 if payment has been made in full. Please note that all CCA choices will be taken as final at the end of week 2. You will be billed for the whole season for all paid CCAs your child is registered for at the end of week 2.

Please be aware that if your child is absent or a paid CCA is cancelled by the school due to unforeseen circumstances e.g. haze or adverse weather, there will be no 'make-up' class or reimbursement. This also applies to school trips and day camps.

HOW TO PAY?

Please contact Finance directly if you require any assistance with payment issues. You can reach them at finance@nexus.edu.sg

BANK DETAILS FOR TELEGRAPHIC TRANSFER

ACCOUNT NAME:	Nexus International School (Singapore) Pte Ltd
ACCOUNT NUMBER:	451-309-605-9
BANK:	UOB
BANK ADDRESS:	80 Raffles Place #29-03, UOB Plaza 1, Singapore 048624

Please send any enquiries about the CCA programme to: eotc@nexus.edu.sg
We look forward to seeing all our Nexus learners involved in Season Three activities.

Ms Stephanie Hughes

Deputy Head of School (Academic Support)

SERVICE & LEADERSHIP AT NEXUS

We encourage and support our learners in their service and leadership initiatives. Nexus has CCAs that are led by our Secondary students. These CCAs have an LL symbol next to them which indicates they are Learner Led.

These acts of service will contribute to:

- **Creativity, Action & Service (CAS)** - this is a requirement of the International Baccalaureate Diploma Programme (IBDP)

TAKING ACTION GROUPS

Primary learners can also get involved in 'Action Advocates' to help take action and promote change in the Nexus Community. Years 3 & 4 should contact Ms Sophie Ussher and Years 5 & 6 should contact Mr Aaron Dustow.

DUKE OF EDINBURGH'S INTERNATIONAL AWARD

The Bronze and Gold Levels of the Duke of Edinburgh's International Award are now on offer at Nexus, and many of our learners in Years 9, 10, 11 and 12 are currently taking part. It is the world's largest Youth Development Award for young adults aged 14 to 24 and is widely recognised by universities and employers around the world.

It is made up of the following five sections:

- Voluntary Service
- Skill
- Physical Recreation
- Adventurous Journey
- Residential Project (Gold only)

Many learners will be using CCA activities to count towards their Award. If your child would like to get involved, please encourage them to email: intaward@nexus.edu.sg and look out for more information in the Parent Zone.

MUSIC ENSEMBLES

Music Ensembles run from January until May and we have already commenced our programme with the majority of groups now full! However if you are really eager to participate then please drop us an email at music@nexus.edu.sg and we can double check regarding spaces.

All learners (except beginners) who are learning an instrument through the Nexus Instrumental Programme are expected to join a music ensemble for the year where possible. We are still running our programme under strict Covid guidelines however we are hoping for some form of performance by the end of the year. Online, or live!

MONDAY

BALLET FOR YEAR 1 & 2

DANCE THEATRE ARTS

Year group:	Year 1, Year 2
Location:	01-West Hub Area / MPH
Time:	3.30 – 4.30
Cost:	276

Year 1 & 2 ballet is a build up of fundamental movement taught in the earlier levels. Learners are introduced to simple ballet techniques within the creative and nurturing environment of Melody Bear's world. In addition to an exciting variety of set exercises, creativity is explored with dances based on fairy stories with Melody Bear dancing as Cinderella, Little Red Riding Hood, Hansel and Gretel and the Tale of the Turnip. Additional fun themes include Melody Bear's Octopus dance, Sleeping Ballerinas, New Shoes, Water Lilies, Friends in a House, the Magic Pool, and the 'Surprise' with each theme focusing on a different movement skill.

BEGINNER TENNIS

SPORTS4KIDS

Year group:	Year 3, Year 4
Location:	Sports Hall
Time:	3.30 – 4.30
Cost:	276

This is a great way for children to start or continue their tennis journey. Helmed by experienced coaches, the tennis program is designed to be fun, challenging and progressive. Through our structured curriculum, students will learn the full range of tennis techniques and how to apply them in game-based scenarios while picking up valuable life skills like teamwork, resilience, and confidence.

COMPUTER CODING CLUB

LEARNER LED

Year group:	Year 12, Year 13
Location:	IB Common Room
Time:	3.30 – 4.30

Are you interested in computer science? Would you like to work on coding? Come along and we can work together. Suitable for those who have some working knowledge of computers and how they work.

BALLET FOR YEARS 3 & 4

DANCE THEATRE ARTS

Year group:	Year 3, Year 4
Location:	Blackbox 2 Level 4
Time:	3.30 – 4.30
Cost:	276

This CCA follows the Junior Ballet syllabus, and teaches children the basics of ballet and dance. In addition to simple barre and imaginative centre practice ideas, the syllabus has creative themes such as: the weeping willow fairy dance, the magic shawl dance, phoenix from the fire, and the woodland ball with the wicked witch as our uninvited guest! Learners are also introduced to the music of ballets such as Swan Lake, Giselle and Coppélia. Dancers will collect ballet vocabulary stickers in their Junior Ballet dictionary and work towards Level 1, 2 and 3 badges. The vocabulary includes French ballet terms, names of ballets and musical terms. Learners may wear HPE kit or purchase ballet kit directly from the provider.

BOOM, BANG, FIZZ, FUN SCIENCE

NEWTON SHOW

Year group:	Year 1, Year 2
Location:	01-West Cafeteria
Time:	3.30 – 4.30
Cost:	138

Questions help children form their view of the world. We can expand their horizons and knowledge by responding to their endless "How?"; "Why?"; "What for?" and "When?" questions. The more answers a child gets, the more they learn! Learners in this CCA will do a lot of experiments to understand how the world works, whilst gaining new knowledge and an interest in the world around them. Older learners might learn how to survive in the desert without water, use forensic science to track down a criminal, and prepare for an expedition to Mars. And this is only a small part of the plan!

DRAMA FILMING & VIDEOGRAPHY

MR ZUL MOHAMAD NOR

Year group:	Year 10, Year 11
Location:	Blackbox 1
Time:	3.30 – 4.30

Would you like to create professional and attractive videos for people to enjoy? Are you inspired to create a short story for the Film Festival, a music video or to become an influencer or vlogger? Join us and learn to produce professional like videos using a smart device.

INLINE SKATING FOR BEGINNERS & BEYOND!

ONEUPSKATES

Year group: Year 3, Year 4
Location: Level 1 Track Area
Time: 3.30 – 4.30
Cost: 230

Inline Skating is taken as an expression of freedom. It promotes a healthy lifestyle and enhances psychomotor skills. Over the course, certified instructors will be guiding learners in the fundamentals of skating. No experience needed. We ensure you will be up and skating within the first session!

LEGO ROBOTICS YEARS 3 & 4

D'GROWING HANDS

Year group: Year 3, Year 4
Location: 07-W.070
Time: 3.30 – 4.30
Cost: 184

Lego Robotics uses Lego bricks as a fun tool to explore robotics, mechanical systems, electronics, and programming. Students who enrol in this CCA are in for a very hands-on experience as it provides them with resources to design, build and program functional robots constructed from Lego and a few other parts, such as motors and sensors. It is open to both beginners and advanced learners of robotics and is run by expert instructors from D'Growing Hands.

TAEKWONDO

TOPTKD

Year group: Year 3, Year 4
Location: 04-East Open Area
Time: 3.30 – 4.30
Cost: 276

Learners will achieve physical fitness and cultivate a sense of responsibility for oneself and others through positive participation in this CCA. They will also build self-confidence and a positive attitude while improving mental discipline and emotional balance. Beginner, intermediate and experienced learners can attend. Learners may wear HPE kit, but will need to purchase the correct kit from the Taekwondo teacher after week 2 of the season.

LAMDA DRAMA YEARS 5 & 6 (INFORMATION ONLY)

PANGDEMONIUM

Year group: Year 5, Year 6
Location: Auditorium
Time: 3.30 – 4.30
Cost: 276

This CCA is not open for sign ups this season as learners are in the midst of preparing for their LAMDA exams.

About LAMDA: LAMDA stands for the London Academy of Music and Dramatic Art and is one of the UK's most prestigious Performing Arts schools. LAMDA are the UK's oldest examining board in speech and drama operating since 1861. They now have students across the globe working towards their internationally recognised qualifications and are recognised for excellence in the provision of Communication and Performance examinations. Students often go on to further their chosen career or simply take up the programmes as a worthwhile hobby - higher grades also qualify for UCAS points and can be used towards the American College Entry forms. Working towards a LAMDA examination is both fun and rewarding - within a safe environment where the Learner can develop to their true potential and become a confident communicator in whichever career path they choose. There are various courses to choose from including public speaking, Acting, Musical Theatre and Verse and Prose.

MULTISPORT

VIVO KIDS

Year group: Kindergarten
Location: Level 1 Playground
Time: 3.30 – 4.30
Cost: 276

With the main focus being development of fundamental movement skills with group activities, this programme will allow learners to pick up the basics of physical development and character building through an array of sports with innovative fun games.

NNC - NEXUS NEWS CORRESPONDENCE

MS MEHER VERGHESE

Year group: Year 12, Year 13
Location: 04-W.110
Time: 3.30 – 5.00

Develop a Passion Art Project with guidance. An opportunity to get creative and explore a new medium.

CREATIVE CONSTRUCTION

MS KAREN ORLOWSKI, MS CLARE TER

Year group: Kindergarten
Location: 02-W.100
Time: 3.30 – 4.30

Learners are invited to plan and create innovative designs using a variety of construction materials e.g. LEGO, wooden blocks. At the end of the season, learners will have the opportunity to build their own designs using recycled materials.

FLL LEGO ROBOTICS COMPETITION

MR EDWARD BAILEY

Year group: Year 7
Location: Level 4 Makerspace
Time: 1.20 – 2.00

Teams will develop an individual robot based on the LEGO® Mindstorms system (EV3). The robot designed and programmed by the team is supposed to solve autonomously a set of missions on an FIRST® LEGO® League (FLL) Tournament Table, where they race against the clock for a personal best score and the chance to advance to a local championship. FLL guides youth through STEM learning and exploration. Learners will understand the basics of STEM and apply their skills in an exciting competition while building habits of learning, confidence, and teamwork skills along the way.

LEARN TO KNIT

MS ANNE CAIN

Year group: Year 7, Year 8, Year 9
Location: 10-W.090
Time: 3.30 – 4.30
Cost: 20

If you have some basic knitting skills and want to start on a project, or if you want to learn from scratch, come along and learn how it is done. The more you develop your skills, the more complicated things you can make. By the end of the CCA season, you should be able to make a beanie hat, a scarf, or a phone case.

MINECRAFT

MS DELPHINE TOURON

Year group: Year 5, Year 6
Location: 08-W.030
Time: 3.30 – 4.30

Learners will be able to spend time working individually or together as they wish, to take on challenges in the Minecraft world. To join this CCA learners must already have their own Minecraft accounts/apps as well as a device ready to use. Experience using the application is a needed.

PAINTING WITH WATERCOLOURS

MS ANNA SHAW, JENNY GONG

Year group: Year 2
Location: 01-W.012
Time: 3.30 – 4.30
Cost: 20
