### SEASON ONE RUNS FROM 21 SEPTEMBER 2020 TO 20 NOVEMBER 2020

(7 WEEKS).

## KEY NEW INFORMATION

### COVID - 19 IMPACT ON CCAs

- In light of recent COVID-19 guidelines please note that we will be not be running any off-site CCAs this season
- Due to COVID-19 restrictions, we are unable to run the CCA programme as we normally do for Primary. In line with MOE guidelines, we will instead run Class-Based Development Programmes within the Phase Groups to avoid mixing year groups as much as possible. As such, you may find activities that were offered for your child's year group before, may not be available to them this Season. We hope to resume to our regular CCA programme as soon as safe distancing measures allow us to do so.
- If the COVID-19 Guidelines change during the season resulting in us cancelling a paid CCA, we will do our absolute best to recover the cost from our providers. However, this is not guaranteed and the school will not be held liable to repay the cost of the CCA.
- Following COVID-19 guidelines, learners will stay socially distanced, hands will be washed, and classrooms will be sanitised.

### CCA Gathering point

Primary learners will be met by their activity teachers in their Learning Hubs. Secondary learners should go directly to the location of their activity. The location information can be found on pages 10-13, and on the Activities portal.

### Pick up point

After CCAs in the afternoon, learners can be picked up from the Level 2 Eco Cafe, outside the Learner Services office.

Younger learners who are taking the CCA bus will be taken to the bus bay by the CCA teacher.

Please note that parents, guardians, helpers and siblings may not wait on-site to collect a learner whilst a CCA or sports training is in session.

Please select CCAs that your child will commit to for the whole season.

The system randomly allocates places and there is no advantage to selecting early in this process.

Due to the length of the school day CCAs are not available for Nursery learners.

**Kindergarten learners** will be allocated up to 2 CCAs (1 CCA, 1 paid CCA).

**Year 1 learners** will be allocated up to 3 CCAs (2 CCA, 1 paid CCA).

**All learners from Year 2 upwards** will be assigned up to a maximum of 5 CCAs, (3 CCAs, 2 paid CCAs) depending on the popularity of the CCAs.

Learners from Year 5 upwards should make their own choices with parental guidance.

Parents will not be able to do this through their own portal login.

For information on ACSIS Sports, [click here](#).

## **PARTICIPATION IN CCA SESSIONS & EVENTS**

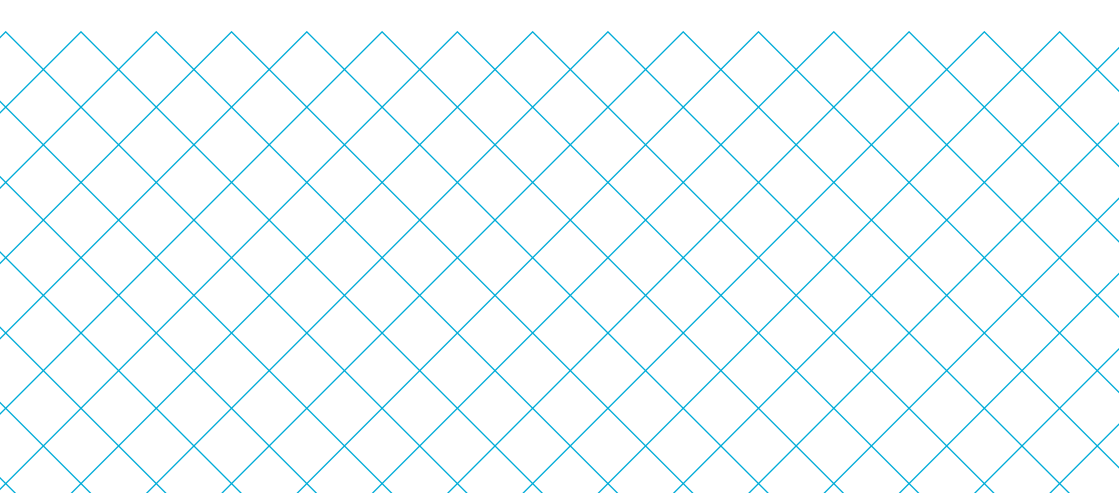

Please take time to read over the various activities on offer and discuss with your child which CCAs they would like to commit to. We strongly encourage every learner to commit to at least one CCA each season and also to take part in at least one voluntary event per year.

CCAs do not run during school or public holidays.

## **ADDITIONAL SCHOOL ACTIVITIES**

### **SWIMMING AT NEXUS**

Please note that the Nexus Swim Squads will continue to train as established. This programme runs throughout the year. Due to COVID-19 restrictions, we will not be running Recreational Swimming this season.

## TRANSPORTATION

At the end of CCAs, learners can take the 4.35pm door-to-door activities bus for an additional charge. To ensure a place on this services for the first week of CCAs, you must email [Tong Tar](mailto:Tong.Tar), call **6261 5537** or register [here](#) by Thursday 17th September at 3pm. More contact details are available at [www.nexus.edu.sg](http://www.nexus.edu.sg) in the Parent Zone. Parents who are picking up learners at 4.30pm can meet their child at the Eco Cafe on level 2.

## COSTS

Many CCAs are offered free of charge; if there is a cost associated with the CCA this is indicated. Payments for CCAs should be made once your child receives confirmation of a place on this activity. All payments should be made online (see below). **Please note that all CCA payments should be completed by 2 October 2020 (end of week 2 of CCAs).** Learners will only be able to attend their CCA in week 3 if payment has been made in full. Please note that all CCA choices will be taken as final at the end of week 2. You will be billed for the whole season for all paid CCAs your child is registered for at the end of week 2. Please be aware that if your child is absent or a paid CCA is cancelled by the school due to unforeseen circumstances e.g. haze or adverse weather, there will be no 'make-up' class or reimbursement. This also applies to school trips and camps.

## SERVICE & LEADERSHIP AT NEXUS

We encourage and support our learners in their service and leadership initiatives. Nexus has CCAs that are led by our Secondary students. These CCAs have an LL symbol next to them which indicates they are Learner Led.

## DUKE OF EDINBURGH'S INTERNATIONAL AWARD

The Bronze and Gold Levels of the Duke of Edinburgh's International Award are now on offer at Nexus, and many of our learners in Years 9, 10, 11 and 12 are currently taking part. It is the world's largest Youth Development Award for young adults aged 14 to 24 and is widely recognised by universities and employers around the world.

It is made up of the following five sections:

- Voluntary Service
- Skill
- Physical Recreation
- Adventurous Journey
- Residential Project (Gold only)

Many learners will be using CCA activities to count towards their Award. If your child would like to get involved, please encourage him or her to email: [intaward@nexus.edu.sg](mailto:intaward@nexus.edu.sg) and look out for more information in the Parent Zone.

# MUSIC ENSEMBLES

MUSIC ENSEMBLES DURING SEMESTER ONE WILL ALIGN WITH THE CCA SEASON ONE. SEMESTER TWO IS TBC DUE TO COVID RESTRICTIONS

Due to COVID 19 restrictions our Music Ensembles will look slightly different this year. Music is about collaboration, inclusion and our ensembles are differentiated to include as many budding musicians as possible. With this in mind we have attempted to provide an opportunity where your child can still participate in music.

We are following current guidance that suggests:

- No Singing
- No groups of wind or brass more than 5
- No cross phase activities/mixing of age groups
- No performances or concerts

We will continue to monitor the situation and hope to be able to open further music ensembles as soon as possible.

All learners (except beginners) who are learning an instrument through the Nexus Instrumental Programme are expected to join a music ensemble for the year where possible. We will still be aiming for some form of a performance opportunity. If not 'live' then online. Details of our ensembles are given provided in the booklet. For more information contact [music@nexus.edu.sg](mailto:music@nexus.edu.sg).
