

NEXUS RECOMMENDED APPLE LEARNING TOOLS

YEAR 5 & 6 LEARNERS

iPad (7th generation)

The 10.2 inch 128GB iPad is the best entry level iPad for our Year 5 & 6 learners. It has the capacity to hold all their files and the A10 chip is capable of running all of the required apps.

YEAR 7 TO 9 LEARNERS

iPad Air (3rd generation)

The iPad Air benefits from the iPad Pro's A12 Processor in the durable body of the iPad. We recommend the 256GB version for our secondary learners in order to store all of their files.

YEAR 10 TO 13 LEARNERS

iPad Pro (4th generation)

For our IGCSE and IB Diploma learners we recommend the larger screen of the the 12.9 inch 256GB iPad Pro. Matching the MacBook in size and capability, the iPad Pro with Keyboard and Apple Pencil enables learners to study in many more flexible and innovative ways.

OUR RECOMMENDED PACKAGE FOR YEARS 5 & 6

YEAR LEVEL RECOMMENDATION

iPad	RECOMMENDED		ALLOWED									
iPad Air	ALLOWED		RECOMMENDED			ALLOWED						
iPad Pro	ALLOWED			RECOMMENDED								
	YEAR 5	YEAR 6	YEAR 7	YEAR 8	YEAR 9	YEAR 10	YEAR 11	YEAR 12	YEAR 13			

Nexus recommends the iPad Pro with Apple Pencil and keyboard as it offers a more flexible learning experience. Some Year 10 -13 learners may need a Mabook for music courses.
